

# CHARLES

NYC based artist Charles D has established his unmistakable sound that combines hard hitting techno grooves with progressive sounds and influence.

His evolving music has gained support from Adam Beyer & Eric Prydz, which has led to multiple releases on Eric Prydz's label Pryda Presents and on Beyer's respective label Drumcode. His Epic Mix for Adam Beyer & Bart Skils 'Your Mind' is only the second official remix, gained fame and was featured at major events like Awakenings, Movement Detroit, Tomorrowland, and EDC. The original track earned praise from Mixmag and surpassed 38 million streams.

Excitingly 2023 brings upcoming releases on Drumcode & Factory 93. Charles continues to thrive in the industry, presenting his techno prowess on his radio show Synthesized Radio every first Friday of the month.
